

## Trove Trace

Trove Trace is an online quest-oriented puzzling contest to be organized under Infotsav 2012 where you are expected to cross the hurdles of some brain cracking problems of subsequent toughness to emerge as the winner. It's one of the best brains teasing game. If solving clues to unravel a mystery give you a rush, then challenge yourself in a battle of wit and common sense and follow the instructions and clues from one link to the next to solve a series of mind boggling questions.

This time we have an exciting blend of cryptology, online hunt, suspense and thrill

If you think that you have got it in you to go to any length to get the thing that entices you, then this is the place waiting for you.....

**"So come on buddies, step into the shoes of the master detective Holmes and enjoy yourself to the fullest with the tricks, tips, clues and puzzles."**
